## SUMMER CAMP 2025

Mission Hills School is happy to offer its *annual* Summer Camp to students in grades Jr. Kindergarten to 6th grade. The students will be grouped by grade level, and the program will be run by MHS teachers/staff. In the mornings, each class will do an academic review of the previous grade they just completed (they're not learning *new* material). Review helps the students retain information they have just learned in the school year and strengthens their skills.

In the afternoon students do arts/crafts and fun activities related to the weekly theme. For example: Jungle week crafts will be about the jungle and animals. The USA beach party theme is on the 4th of July in the USA. Happiest camp on earth is Disney related. Out of this world is space and science related. All Star Sports is pertaining to sports.

We will also sprinkle fun activities such as a petting zoo, assemblies with clowns or magicians, outdoor games, and a 4th of July party. etc. *For additional information, please contact the MHS Administration at 510-317-8627 or email [ahernandez@mhmschool.org](mailto:ahernandez@mhmschool.org)*
