

MISSION HILLS SCHOOL

SUMMER CAMP 2026

Mission Hills School is happy to offer its *annual* Summer Camp to students in grades Transitional Kindergarten to 6th grade. The students will be grouped by grade level, and the program will be run by MHS teachers/staff. In the mornings, each class will do an academic review of the previous grade they just completed (they're not learning *new* material). Review helps the students retain information they have just learned in the school year and strengthens their skills.

In the afternoon students do arts/crafts and fun activities related to the weekly theme. For example: Camping and Wilderness Week will be all about the outdoors, animals, and nature.

We will also sprinkle fun activities every week, such as a petting zoo, professional face painting, a friendly clown, outdoor games, and more! *For additional information, please contact the MHS Administration at 510-317-8627 or email ahernandez@mhmhschool.org*
